PREAMBLE:

The project proposal of M/s Gold Plus Glass Industry Ltd. to establish a manufacturing unit of "Glass and glass products" with an investment of Rs. 2527 crore, generating employment to about 956 persons at MSEZ, Mangaluru was approved by SHLCC held on 12.05.2021. The investment is eligible to avail incentives & concessions under New Industrial Policy 2020-25.

The Government vide order No. CI 191 SPI 2021 (e), dated 14.06.2021 has approved the change of location of the approved project from MSEZ, Mangaluru to Kanagala Industrial Area, Belagavi. Also, the Government vide order No. CI 191 SPI 2021 (e), dated 30.09.2021 has approved to transfer the approval to M/s Gold Plus

Float Glass Pvt. Ltd. which is wholly owned subsidiary company of M/s Gold Plus Glass Industry Ltd. and to allot 195 acres of land at Kanagala Industrial Area, Belagavi.

M/s Gold Plus Glass Industry Ltd. is a leading Glass Manufacturer which was established in 2009, having manufacturing facilities at Roorkee and Kala Amb. It is India's 2nd largest manufacturer of Float Glass and also received funding from Premji Invest - Mr. Azim Premji's Investment Arm.

The company has requested the State Government to sanction the special incentives since the Glass Industry is an asset intensive industry and the fixed assets to turn over ratio is very low i.e., less than one. The total incentives provided to the proposed investment would be Rs. 331 crore which is 13% of the overall investments as per standard package of incentives under New Industrial Policy 2020-25 and also considering the quantum of investments being made in North Karnataka.

There is a provision to sanction special package of incentives and concessions under Industrial Policy 2020-25 for Ultra and Super Mega Enterprises giving due weightage to investment, location of the project, direct and indirect employment to be generated.

The Commissioner for ID vide letter dated 20.07.2021 has recommended the proposal of special incentives & concessions to M/s Gold Plus Float Glass Pvt. Ltd.

The subject was placed before the Cabinet Sub-Committee meeting for sanction of special incentives to mega industries held on 18.04.2022 under the Chairmanship of Hon'ble Chief Minister for discussion and decision.

The Committee noted that the proposed unit is an asset intensive industry and the fixed asset to turnover ratio is low and also the quantum of investments being made in North Karnataka.

The Government has considered the recommendations of Cabinet Sub Committee Meeting held on 18.04.2022 in all aspects and hence this order.

GOVERNMENT ORDER NO. CI 191 SPI 2021, BENGALURU, DATED 06.05.2022

In the circumstances explained in the preamble, the Government is pleased to sanction the following special incentives & concessions to M/s Gold Plus Float Glass Private Limited, for their glass and glass products manufacturing unit at Kanagala Industrial Area, Belagavi District:

- i) Investment promotion subsidy of 2.25% of the turnover for a period of 15 years subject to VFA limit of 60%.
- ii) Other incentives & concessions as per the Industrial Policy 2020-25.

The company has to provide employment as approved in the SHLCC meeting held on 12.05.2021.

This order is issued with the concurrence of Finance Department vide its Note No. FD 294 Exp-1/2021, dated 07.09.2021 and Cabinet Sub Committee Meeting held on 18.04.2022.

By Order and in the name of the
Governor of Karnataka,

PREAMBLE:

The project proposal of M/s Toyota Kirloskar Motor Private Limited (TKML) to establish automobile manufacturing unit at Bidadi Industrial Area was approved vide Government Order No. CI/218/SPI/97 dated 01.01.1998, with the following incentives and concessions:

“TKML will be eligible for a package of incentives and concessions including Sales Tax on inputs, Sales (Purchase) Tax on Capital Goods, Works Contract Tax, Sales Tax on finished products (completely built units) and Turnover Tax. The quantum of incentives and concessions will be governed by Notifications Nos. FD/104/CSL/97 (I) to (VI) dated 01.01.1998”.

The Finance Department vide Notification No. FD/104/CSL/97(I), dated 01.01.1998, has sanctioned the following:

“Deferment the tax payable on the sale of finished goods manufactured by M/s Toyota Kirloskar Motor Private Limited located near Bidadi for a period of 18 years from the date of commencement of commercial production, in each phase of the project (period of 18 years shall be applicable for each phase separately and independently)”.

The Department of Industries & Commerce vide Certificate No. IDF/E2/STD/TKM/99-2000 dated 09.03.2000, certified that M/s TKML has commenced the commercial production on 24.12.1999 (Phase-I) and made an investment of Rs. 501.04 crore on fixed assets as on 31.12.1999.

The tax on the output (Sales Tax in case of Sales within Karnataka and CST in case of Sales outside Karnataka) was allowed to be retained by M/s TKML for a period of 18 years. The tax so deferred is held in the form of an interest free loan, repayable to the Government on a year on year basis from the completion of 18 years.

After the introduction of VAT during 2004, the Finance Department vide Notification No. FD/56/CSL/2005(2) dated 18.04.2005, notified the following:

- i. The Government of Karnataka hereby defers with effect from 01.04.2005, the output tax payable by a new industrial unit under KVAT Act on the sale of goods manufactured by it, subject to the following conditions:
 - The deferment of tax extended in this Notification shall be limited to the un-avail portion of period and extent of deferment of Tax extended by in the relevant Notification and any Government Order and also subject to the overall tax concession originally extended.
 - The unit claiming deferment of tax under this Notification shall be eligible for input tax rebate, without any deduction in the output tax payable and on the industrial unit filing the return as specified under this said Act.

The Department of Industries & Commerce vide Certificate No. ID/E3/TKM/STE/2010-11 dated 21.01.2011, certified the following:

- M/s TKML under Phase-II of the expansion project has set up required production facilities and commenced commercial production from 21.12.2010 under expansion programme.
- M/s TKML as a part of their ongoing investments has made investment of Rs. 1620.08 crore on the fixed assets as on 14.12.2010 under Phase-II.

The Government vide its order No. CI 235 SPI 2011, dated 22.10.2018 has extended the interest free loan on State GST (SGST) payable on the sale of vehicles/ parts by M/s Toyota Kirloskar Motor Private Limited (TKML) to customers in Karnataka as below:

Particulars	Phase-I SGST component	Phase-II SGST component
Period of benefit	01.07.2017 to 23.12.2017	01.07.2017 to 20.12.2028

M/s Toyota Kirloskar Motor Private Limited has availed Rs. 3831 crore as KST/ VAT & CST deferment and SGST loan for Phase-1 of the Project and the repayment has been started from 2017-18 after 18 years of moratorium. Till 31.12.2021, the company has paid Rs. 323 crore to the Government and balance around Rs. 3507 crore will be paid by 2036-37.

The Company has claimed around Rs. 1010 crore till June 2019 as KST / VAT & CST deferment and SGST loan for Phase-2 of the Project and the company is eligible to claim SGST loan till 2028.

The Government vide letter No. CI 225 SPI 2018, dated 06.03.2020 has informed the following to the Commissioner for ID regarding SGST loan under Phase-2 for TKML.

i) Fixing of ceiling on incentives:

Phase-1: Since the period ended on 31.12.2017, TKML may be allowed to claim balance amount of Rs. 98.67 crore.

Phase-2: The original investment Plan was for Rs. 3200 crore and as per details submitted by TKML that they would be able to claim a maximum of Rs. 2040 crore till 2028, a cap of 75% of VFA on investment may be considered and advised to ascertain investment before releasing the loans.

ii) Moratorium period of 18 year for repayment for Phase-2

For all the claims in the form of deferred tax and SGST loan – a moratorium period of 10 years as is being done in case of other investment may be considered.

iii) Repayment of SGST loan

4 equal installments every year after moratorium of 10 years.

M/s TKML vide its letter dated 15.09.2020 has given representation to the Government as below:

- Commercial production of auto mobiles under Phase-1 started during 1999 and for Phase-2 from 2010.
- GoK treated their investment as Mega Project and sanctioned Special incentives & concessions vide its orders No. FD 104 CSL 97(1), dated 01.01.1998 and No. FD 104 CSL 97(2), dated 01.01.1998.
- Notifications issued by the FD, entitled them the benefit of deferment of tax for a period of 18 years from the date of commencement of production in each phase of the project.
- After coming into force of the VAT regime, new notifications No. FD 56 CSL 2005 (2) and FD 56 CSL 2005 (5), dated 18.04.2005 were issued for continuation of tax incentives.
- With the implementation of GST, the Department of Industries & Commerce has issued SGST loan Eligibility Certificate in favour of TKML on 28.07.2020, which have certain differences in the conditions laid out in the Eligibility Certificate with that of earlier notifications of Government that was specifically passed in favour of TKML.
- The discrepancies are mentioned below:
 - ❖ Fixing of ceiling limit on incentives i.e., 75% of VFA for Phase-2.
 - ❖ Moratorium period of repayment has been reduced from 18 years to 10 years.
 - ❖ Company would be required to execute necessary loan agreement and provide consent for creating charge on assets and furnish the original deeds to the Department.
- TKML requested to give direction to Industries & Commerce Department to settle the matter by reconciling the views expressed within the C&I and FD, which will help resolution of the matter and would permit TKML to avail SGST loan.

Again the Company vide its letter dated 04.02.2022 has informed the following to the Government:

- TKML has relied on the incentives provided by GoK in the G.O. while developing its business plans which includes not only plant expansion within the State but also introduction of newer products etc.
- The Company has made sincere and continued efforts for over 23 years of operations thus far in realizing the plants on the basis of which the GoK was pleased to grant the incentives.
- The new conditions being proposed in the entitlement certificate issued by the Commerce & Industries Department not only contrary to the earlier G.O. conditions will put the company to a deep financial injury, cause business disruptions forcing the company to revisit its business plans including the introduction of new models with high end technology which entails significant additional investments.

- Requested to issue directions to the concerned to correct the discrepancies and permit TKML to avail SGST loan in accordance with the original G.O. issued by the Government.

The subject was placed before the Cabinet Sub-Committee meeting for sanction of special incentives to mega industries held on 18.04.2022 under the Chairmanship of Hon'ble Chief Minister for discussion and decision.

The Government has considered the recommendations of Cabinet Sub Committee Meeting held on 18.04.2022 in all aspects and hence this order.

GOVERNMENT ORDER NO. CI 225 SPI 2018, BENGALURU, DATED 06.05.2022

In the circumstances explained in the preamble, the Government is pleased to revise the moratorium period for repayment of deferred tax and SGST loan for Phase-2 project of M/s Toyota Kirloskar Motor Pvt. Ltd., Bidadi Industrial Area, Ramanagar District as below:

- i) Moratorium period of 18 years for repayment of deferred tax and SGST loan for Phase-2 as done for Phase-1.
- ii) Deferred Tax and Interest free loan on SGST paid is limited to the extent of 75% of value of fixed assets on investment made for Phase-2. This incentive is limited to either the period or loan limits whichever is reached earlier.
- iii) Repayment of SGST loan – 4 equal installments every year after moratorium of 18 years.
- iv) Execution of loan agreement for release of SGST loan.

This order is issued with the concurrence of Finance Department vide its Note No. FD 141 Exp-1/2020, dated 12.01.2021 and Cabinet Sub Committee Meeting held on 18.04.2022.

By Order and in the name of the

PROCEEDINGS OF THE GOVERNMENT OF KARNATAKA

Sub: Sanction of Special Incentives Package for FMCG Cluster in Dharwad District.

Read: Proceedings of the Cabinet Sub Committee Meeting held on 18.04.2022

-:0:-

PREAMBLE:

In the Budget Speech 2020-21, development of two new clusters in addition to the ongoing clusters were announced i.e., Health and Wellness cluster in Shivamogga district and FMCG Manufacturing cluster in Dharwad district.

Also, in the Budget Speech 2022-23, it was announced that Special incentive package will be announced for the industries that will come up in FMCG Cluster at Dharwad District.

A Vision Group was constituted vide Government order No. CI 130 SPI 2018, dated 01.07.2020 for establishment of "FMCG Manufacturing Cluster" in Dharwad comprising of leading industrialists of FMCG sector. The FMCG Vision Group identified Mummigatti KIADB Industrial Area in Dharwad for establishment of FMCG Cluster.

FMCG manufacturing in Karnataka is largely limited to Agro & Food Processing, with presence of leading companies like ITC, Britannia, Nestle, Parle, Cargill, MTR Foods, Hangyo Ice Creams etc. In spite of having a dominant white-collar consumer base and the raw material availability around Bengaluru, none of the FMCG majors in non-food category - apart from Himalaya Wellness - have their facilities in Karnataka. The fact that the FMCG leaders constitute only around 10% of the market (by value) indicates huge potential to attract investments in non-food category as well, provided a policy-driven initiative is formulated.

The product segments under FMCG Cluster are mentioned below:

Personal & Home Care	Food Processing	Healthcare
Bath & Shower Dental/Oral Care Skin Care, Hair Care Male Grooming Cosmetics & Feminine Products Perfumery & Incense Sticks Laundry & Cleaning Agents Kitchen Utilities Toiletry Disinfectants	Processed /Instant Food Instant Spices Confectionery Bakery, Biscuits & Cones Salty Snack Frozen Foods, Deserts Processed Cereals Fruit Concentrates Energy Drinks Milk Processing	Health Supplements OTC Pharma Products Nutraceuticals Animal Feed
Upstream Value Chain		
Active Ingredients & Intermediates for all the product segments		

The Commissioner for Industrial Development and Director of Industries & Commerce has prepared the Special Incentives proposal for FMCG Cluster based on the outcome of the discussions with Vision Group and the same has been submitted to the Government for approval in order to propagate among the prospective investors of the

FMCG sector and attract investments for the cluster, with terms and conditions for FMCG Cluster, Dharwad.

FMCG sector is one of the largest employment generating sector in the country. The Vision Group, in its proposal, details about FMCG industry in Assam which contributes significantly to the state's employment and GDP. The proposal also draws similarities between the growth potential of Hubballi-Dharwad and Guwahati and envisages it to be developed in line with Guwahati's magnitude. The industry thus anticipates having a dedicated base in South India, which so far does not have an FMCG hub like Guwahati.

It is expected that the FMCG cluster in Dharwad would turn fortunes of the district to create an unparalleled industrial ecosystem resulting into socio-economic upliftment of the region.

The Vision Group proposal highlights the potential to create 5 lakh direct and indirect job opportunities against an investment of ₹ 7,500 crore in Dharwad district. This cluster targets investment of Rs. 3000 crore in mainstream FMCG products solely in the designated Mummigatti Industrial Area and generating direct employment to around 26,500 people during the scheme period.

The Special Incentives Package for FMCG Cluster in Dharwad District subject was placed before the Cabinet Sub-Committee meeting for sanction of special incentives to mega industries held on 18.04.2022 under the Chairmanship of Hon'ble Chief Minister for discussion and decision.

The Cabinet Sub-Committee noted that a suitable incentive structure supporting the industry's needs of robust supply chain could make Dharwad as the FMCG hub of India.

Government has considered the recommendations of the Cabinet Sub-Committee held on 18.04.2022 and hence this order.

GOVERNMENT ORDER NO. CI 287 SPI 2020 (P1), BENGALURU, DATED 30.04.2022

In the circumstances explained in the preamble, the Government is pleased to sanction the following special incentives package to FMCG Cluster in Dharwad District.

- i) Capital Investment Subsidy of 20% of VFA, subject to a maximum of ₹ 25 crore.
- ii) Performance linked incentive of 3% of annual turnover for 5 years; subject to a maximum of 100% of VFA.
- iii) Other incentives & concessions as per the Industrial Policy 2020-25.

The above special incentives package are subject to the following terms and conditions for FMCG cluster in Dharwad district:

- a) This package of incentives will be in operation for 5 years from the date of issue of Government Order.
- b) The activities eligible for this incentive package are listed above.
- c) A "Technical Committee" would be constituted to certify the FMCG activities that are eligible to be set up in this cluster / District.
- d) Only new investments, including expansion are eligible for this package of incentives.
- e) Value of Fixed Assets (VFA) will include investment on Land, Factory Building, Plant & Machinery and Miscellaneous Fixed Assets (MFA), excluding the cost of effluent treatment plant (ETP).
- f) Performance Linked Incentive will be administered on annual direct sales turnover (includes sales within the state, inter-state and exports), as evidenced by GST Returns, annual audited accounts/audited balance sheets, etc.
- g) Operational incentives will be administered on a half yearly basis.
- h) No operational incentives shall be administered during a year if the unit discontinues operations for more than six consecutive months. Such gap in incentives cannot be replenished against operations during remaining half, nor can it be deferred to subsequent years.
- i) Performance Linked Incentive for an expansion will be applicable only on the incremental turnover resulting from the corresponding investment or capacity expansion, and not on the entire turnover including the existing turnover.
- j) Incentives under this package can be availed in addition to the incentives provided under any of the policies of Government of India, without duplication of any incentives. PREAMBLE:

The project proposal of M/s YG Cutting Tools Corporation Pvt. Ltd. to establish a manufacturing unit of Cutting Tools i.e., relocation-cum-expansion plans with an investment of Rs. 1000 crore in 40 acres of land at KIADB Mastenahalli Industrial Area, Chintamani Taluk, Chikkaballapur District creating an employment to 750 persons was cleared in the SHLCC Meeting held on 12.05.2021.

YG Cutting Tools Pvt. Ltd., is Republic of Korea's largest manufacturer of end-mill tools, including tools for threading, holing, turning and milling operations. Founded in 1981, the company has grown to be among world's top five end-mill tool manufacturing companies with global turnover in excess of US\$ 500 million. The company's worldwide presence includes operations in China, Germany, Vietnam, Thailand, India, and exclusive sales units in US and European markets.

The Company started its Indian operations with its Doddballapura unit near Bengaluru in December 2016. M/s. YG Cutting Tools Pvt. Ltd, generates a turnover of around ₹ 150 Cr and employees around 200 persons.

By virtue of the geopolitical changes driven by Covid-19, the Company envisages to diversify major part of their operations beyond Korea and China. The management is actively considering Karnataka as an alternative and wishes to proceed with the investments immediately post sanction of special package of incentives.

There is a provision to sanction special package of incentives and concessions under Industrial Policy 2020-25 for Ultra and Super Mega Enterprises giving due weightage to investment, location of the project, direct and indirect employment to be generated.

The Commissioner for ID has recommended the proposal of special incentives & concessions to M/s YG Cutting Tools Pvt. Ltd.

The subject was placed before the Cabinet Sub-Committee meeting for sanction of special incentives to mega industries held on 18.04.2022 under the Chairmanship of Hon'ble Chief Minister for discussion and decision.

The Committee noted that the company is South-Korea's largest manufacturer of end mill tools and the proposed unit will create eco-system for manufacture of cutting tools in Chikkaballapura District.

The Government has considered the recommendations of Cabinet Sub Committee Meeting held on 18.04.2022 in all aspects and hence this order.

GOVERNMENT ORDER NO. CI 320 SPI 2020, BENGALURU, DATED 06.05.2022

In the circumstances explained in the preamble, the Government is pleased to sanction the following special incentives & concessions to M/s YG Cutting Tools Corporation Pvt. Ltd. for their Cutting Tools unit at Mastenahalli Industrial Area, Chintamani Taluk, Chikkaballapur District:

- i) Investment promotion subsidy of 3% of the turnover for a period of 8 years subject to VFA limit of 50%.
- ii) Other incentives & concessions as per the Industrial Policy 2020-25.

This order is issued with the concurrence of Finance Department vide its Note No. FD 351 Exp-1/2020, dated 09.04.2021 and Cabinet Sub Committee Meeting held on 18.04.2022.

PROCEEDINGS OF THE GOVERNMENT OF KARNATAKA

Sub: Sanction of Special Incentives Package for Agriculture Implements Cluster in Bidar District– reg.

Read: Proceedings of the Cabinet Sub Committee Meeting held on 18.04.2022

-:0:-

PREAMBLE:

The Government had accorded approval to develop Product Specific Manufacturing Clusters in 9 identified districts of the State under “Compete with China” scheme as per the announcement made in the Budget 2018-19. Nine sectoral Vision Groups comprising of industry leaders of the sector and domain experts were constituted to provide inputs, suggestions and implementation modalities for development of the respective clusters. Sri. T R Kesavan, Group President - TAFE Ltd, is the Chairman of the Vision Group for Bidar – Agricultural Implements cluster.

Karnataka is the fifth largest producer of agricultural implements with 6% share in the ₹ 20000 Cr Indian agriculture implement market – excluding tractors. Punjab, Haryana, Gujarat are the leading suppliers holding 12% share each, followed by Tamil Nadu.

Karnataka's manufacturing ecosystem is fragmented with limited large-scale manufacturers operating with scattered geographies. VST Tillers & Tractors, TAFE, Fowler Westrup, Varsha Associates and Sri Sai Agro are the known manufacturers in Karnataka.

Chinese imports of self-propelled implements constitute nearly 35% of the state's market, as the domestic producers cost 20% dearer than Chinese imports. China is the leading manufacturer and exporter of farm equipment, followed by Italy, USA, Germany, France, Belgium, Poland and Thailand. Pre-incentive basis, China is 12-14% competitive to domestic manufacturers, with advantages of optimum input prices, taxes & duties, labour efficiency, and the factor costs (land, water, power, cost of capital, etc). Incentive schemes such as tax holidays and export benefits increase the price difference to 20%. The cost difference gets subsumed to the extent of import duty in India, but continues to be a major deterrent for exports.

70 acres of land is available in phase-2 of Kolhar Industrial Area in Bidar, which is earmarked for Agri-implements manufacturing industries.

The Vision Group has provided the wish list of fiscal incentives required to attract investments to the cluster. Agricultural Machinery Manufacturers Association (AMMA-India) has expressed interest to set-up a cluster of AMMA-Karnataka members in Bidar district and has requested to provide incentives to Developers and also Common Facility Centre (CFC) in line with the package for Koppal Toys cluster.

The product segments under Agriculture Implements Cluster are mentioned below:

Product Segments	Manufacturing/Assembly Activities
Soil/land Preparation	Rotavators, Mech & reversible ploughs, diggers, disc harrow, Levellers
Sowing	Seed-drills, Happy-seeders, Transplanter, etc.
Cultivation	Power Tiller, Cultivators, Reaper, Power Weeder, etc.
Plant Protection	Auto-sprayer, long-range sprayers, etc.
Harvest	Harvester, combine harvester, sugar-cane harvester, etc.
Post-Harvest	Shredders, Balers, etc
Prime-mover	Tractors, Mini-tractors, etc.
Agro-Processing (primary)	Threshers, de-huller, de-husker, grader, grinding mills, dryers, scrapers, etc.
Ancillary Units	Oil engines, Tools, Blades, Foundry, Forging, Casting, Machined Tools & associated components directly consumed in the Agri-implements & Equipment manufacturing industry
Common Facility Centre (CFC)	Centre of Excellence (CoE), Farm Training Centre, Implement Testing Centres (FMTTI or similar), and Skill Development Centre particularly in the area of Farm Mechanization / Machining / Tooling / Foundry/ Forging/ Casting

The Commissioner for Industrial Development has submitted the special incentives package for Agricultural Implements Cluster at Bidar for approval of the Government, with terms and conditions for Agriculture Implements Cluster, Bidar.

This proposal targets investment of ₹ 3000 crore in Agriculture Implements Cluster and generating employment to around 35,000 people during the scheme period.

During the Budget Speech 2021-22 at Para No. 216, the following has been announced:

“An agricultural implements production cluster is being developed in Bidar to encourage the mechanisation of agriculture. I announce a special incentive package on the lines of already established clusters to the industries coming up in this cluster.”

The Special Incentives Package for Agriculture Implements Cluster in Bidar District subject was placed before the Cabinet Sub-Committee meeting for sanction of special incentives to mega industries held on 18.04.2022 under the Chairmanship of Hon'ble Chief Minister for discussion and decision.

Government has considered the recommendations of the Cabinet Sub-Committee held on 18.04.2022 and hence this order.

GOVERNMENT ORDER NO. CI 345 SPI 2020, BENGALURU, DATED 06.05.2022

In the circumstances explained in the preamble, the Government is pleased to sanction the following special incentives package to Agriculture Implements Manufacturing Cluster in Bidar District:

- i) Capital Investment Subsidy of 15% of VFA;
- ii) Performance linked incentive of 2.25% of annual turnover for 7 years;
- iii) Other incentives & concessions as per the Industrial Policy 2020-25.
